

Summer 2026

The Manufacturing Institute

Don't just talk about the trades.
LIVE IT!

Locations in

- East Valley HS/ Newport HS
- Ferris HS
- Cheney HS
- Lind-Ritzville HS
- Spokane Colleges
- North Idaho College
- ...and growing!

Come learn about careers in manufacturing & trades!

High School: Production & Manufacturing Institute

3-Week Immersive Experience

- Jump into the world of work to help you see what it's really like to be a part of something great.
- Work with your team to design, manufacture, and sell real products to customers.
- Accelerate learning, problem-solving, and interpersonal skills that set you apart in the workplace.
- July 6-24: Week 1 at SCC, other weeks held at several locations around the area.

1-Week Intensive Certificate

- Learn new skills in design, CAD, 3D printing, welding, machining, production, quality, and much more.
- Visit manufacturing sites to learn about careers, processes, and to visit with professionals and executives.
- July 6-10: Attend the first week of the Institute at Spokane Community College!

Middle School: Tool Titans Academy

1-Week Into to Manufacturing & Trades

- Learn to use hand tools, power tools, building processes, and design.
- Understand how to be safe in a shop environment while working with a team.
- Learn to measure, use tools, and practice what you learn as you build things every day.
- Make things, have fun, and learn what the shop and manufacturing is all about!
- Several locations and weeks through the summer!

Grade School: KidsWorx

New for 4th and 5th Grade Students!

- A new 2-day camp for incoming 4th and 5th grade students.
- We're piloting a new program to introduce the world of hands-on learning where they try out designing and building things with cardboard, wood, and different materials.
- Kids learn in a safe environment that introduces them to age-appropriate tools that inspire creativity.
- Class begins end of June...more details to come.

ALL PROGRAMS ARE FREE TO KIDS!!!

How to Start...

STEP 1: Apply online! Go to the link or QR code below to apply.

STEP 2: Tell your friends and get them to apply!

STEP 3: Tell your school counselors & teachers about it so they can share!
